**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I operate a small video editing business that relies on broadband internet to deliver my services and products. I picked my fiber service provider because they provided me with better value and service than that available from Verizon, AT&T, and Comcast. My previous DSL service with AT&T was inadequate and too costly.

Because of regulations and competition, I was able to make the best choice for my small business.

Thank you,

Eric Pomert
